### **Is it important that I attend every meeting? Can I Zoom instead?**

Your presence at the meetings is mandatory and part of your requirement as a planning team member. If you are selected, we trust your physical attendance at meetings that are held in person, and that the conference will take precedence over other commitments. If selected, the covenant that you will be asked to sign says,

*"I am being invited to be part of this team in part because I am available to attend the planning meetings in their entirety. I understand that failure to attend meetings generally means that I will have to resign from the team. Exceptions may be made for family emergencies."*
