A Word of Gratitude

Dear Friends,

It is with a grateful heart and thanks to you, our donors and friends, to our staff, to our volunteers, and to God that I offer this donor listing of the Montreat Conference Center for 2022–2023.

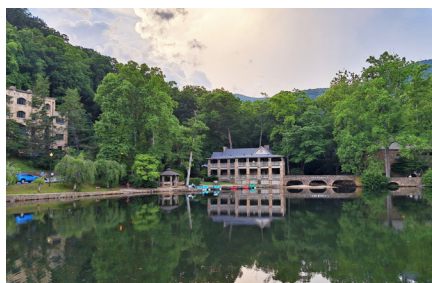

You may remember that the conference center’s leadership began the year with cautious hopes as we continued to navigate the post-COVID era. While our board passed a conservative budget for the year that contemplated the use of reserve funding to meet expenses, thanks to frugal spending and the generosity of our donors, we ended the year realizing a slight surplus. We are grateful, indeed!

There are many positive signs to mention as we look back on the year just completed. Retreat groups and adult conferences grew substantially, as did Assembly Inn occupancy. Although youth conferences and our college conference have not bounced back to pre-COVID levels, participants once again number in the thousands. The community enjoyed the newly renovated Huckleberry. God was felt in this valley through conferences and gatherings rich in experiences and meaning, and through Clubs and recreation activities. In January, we piloted a new “gathering” for young adults (don’t call it a conference!), and our Lilly-funded Thriving Congregations initiative now includes 21 participating congregations.

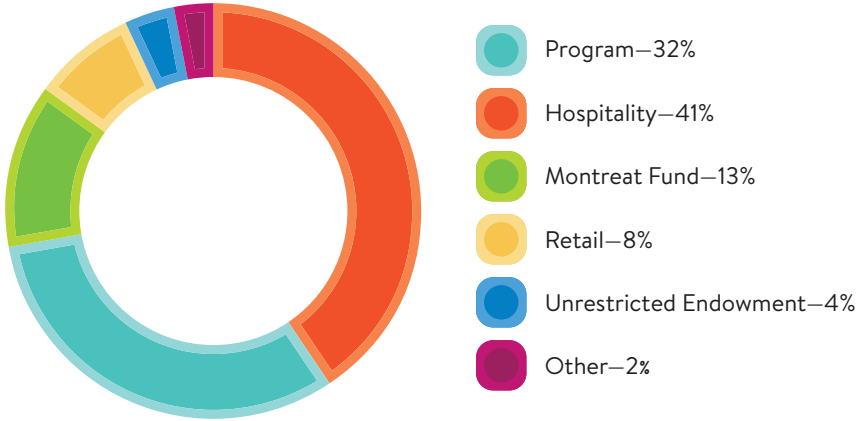

Reviewing the names of individuals, churches, and institutions who gave so generously fills me with appreciation and energy for the abundant ministry that lies ahead. It is a continuing privilege to be in Montreat – it’s like standing at a busy intersection through which passes family members, friends, and so many committed servants of Christ engaged in the wide, difficult, joyous work of the church. You make that work possible for all who are a part of this special place and wonderful ministry.

So, thank you for new and continued levels of financial support, for prayers and encouragement, and for the many voices of wisdom and encouragement through which God’s voice is heard here. Thank you all, and thanks be to God.

Sincerely,

Giving

The amazing generosity of Montreat supporters was evident again in the 2022-2023 fiscal year, with more than 1,100 donor households and the fourth year of surpassing \$1 million in contributions to the Montreat Fund. Montreat staff and volunteers are joined in profound gratitude for the many names in the list below. Each line represents a strong connection and commitment to the mission and ministry of the Mountain Retreat Association (MRA). The enduring generosity of Montreat donors ensures its legacy as a place to grow in faith, rest with family, and connect with wilderness for many years to come.

Church Patrons

Last year, 117 churches from 19 different states and the District of Columbia made gifts of \$300 or more to Montreat's mission and ministry. We are deeply grateful to each and every one of them. Church Patrons are recognized in a brochure distributed throughout the conference center, on montreat.org/church-patrons, accessible via the QR code to the right, and on displays in the lobby of Anderson Auditorium and Assembly Inn.

If you have questions about the Church Patron program or want to see your church on this list, please contact the director of the Montreat Fund and major gifts, Julie Lehman at 828.419.9806 | juliel@montreat.org.
