CONFERENCE CENTER

*2024-2025 Donor List*

# A Word of Gratitude

Dear Friends:

The following pages recognize those who supported Montreat Conference Center with charitable gifts during the fiscal year ending April 30, 2025 – a year unlike any other in the history of Montreat or the conference center.

So profound was Helene's impact on Montreat and the wider Western North Carolina region that to say the year was unprecedented almost seems unnecessary. And yet, the outpouring of support from our community, volunteers, and friends was so extraordinary, this news bears not only repeating, but calls for the recognition of donors who made such a difference. As our staff reviewed the names listed in the following pages, we were once again humbled by the sheer volume of generosity and love expressed for Montreat.

The Montreat Fund saw its highest results on record, surpassing our budgeted goal by \$205,845. Even more astonishing was the response to the Hurricane Helene Relief Fund, which exceeded those results. Gifts began arriving within 24 hours of Helene's departure through a simple link on our website and kept coming for months. In total, \$1.3 million was received from 1,700 donors—two-thirds of whom had never before given directly to Montreat.

Many other achievements deserve recognition, including:

- A strong 2024 summer season, with vibrant youth conferences and the Presbyterian Association of Musicians' two music conferences once again anchoring our summer programming. Recreation participation soared.
- A busy harvest of autumn, which yielded rich programming in September and widespread efforts to meet the immediate needs of our surrounding community, which led to...
- ...Opening new doors, creating new friendships, and deepening our calling and understanding of hospitality.
- A joyful reopening in January, led by a successful College Conference and followed by the steady return of conferees, guests, and participants.
- Collaboration and cooperation with the Town of Montreat to mitigate storm damage and begin repairs.
- The completion of a five-year strategic plan to help guide our work through the challenges ahead.

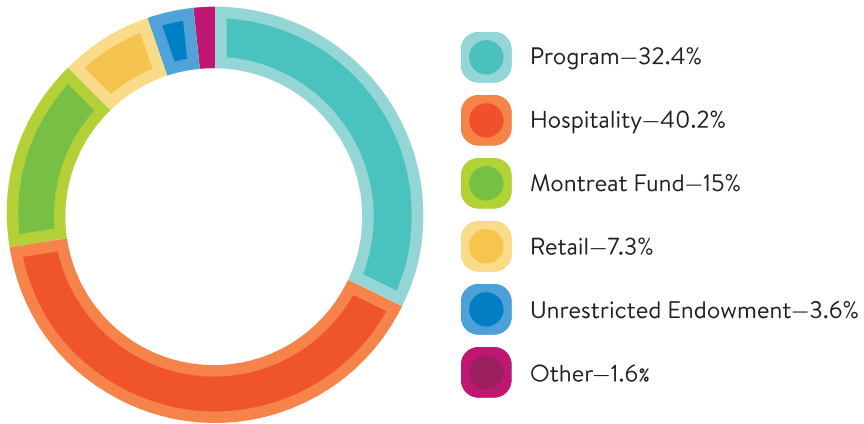

Resilience, recovery, and return – all were made possible, in large part, by your generosity. We recognize these gifts as a faithful response to God's call to be stewards of grace, healing, and hope and as sacred expressions of your love for Montreat. It is our joy to express our gratitude, and we pledge to do our best to use these gifts for better programs and recreation, a more beautiful campus, and to extend the best possible hospitality that we can offer in God's name.

On behalf of all we hope to benefit, thank you.

Gratefully,

# Giving

Thanks to the generosity of 2,568 donors, the Montreat Fund surpassed \$1 million for the sixth consecutive year, making the 2024-2025 fiscal year our highest year on record. The Montreat staff and volunteers offer endless gratitude for the support of those listed below. Each donor offers a unique perspective on the Montreat experience, but are all joined in the common goal of supporting Montreat's mission of being a place to grow in faith, rest with family, and connect with wilderness for many years to come.

## Medallion of Merit

The Medallion of Merit is Montreat Conference Center's highest honor, awarded to individuals whose extraordinary service and leadership have significantly advanced the mission and ministry of Montreat. Recipients embody a deep commitment to faith, community, and the enduring values of the Church – they have shaped the Montreat we know and love today. The Medallion has only been awarded 10 years since its inception in 2008. In 2024, the planned celebration of this year's honorees at the Firefly Dinner was canceled due to the widespread impact of Hurricane Helene. While the dinner could not take place, Montreat remains committed to recognizing and celebrating the remarkable contributions of these leaders.

### *Jane Holt*

Jane Holt is honored with the Montreat Medallion of Merit in recognition of a lifetime devoted to Montreat's mission, wilderness, and community. A gifted educator, naturalist, and photographer, Jane has inspired generations through her leadership including service to the Montreat Conference Center as an MRA trustee and as Wilderness Director. Her deep love for Montreat's natural beauty led to the establishment of a conservation easement and the preservation of Rocky Knob—now named the Jane Holt Wilderness. Jane also served on the committee that helped to start the Patrons Fund in the

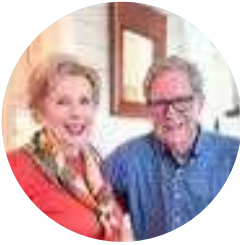

early 1960's and has never missed a year of giving back to this place she loves. Jane's life is a testament to joy found in creation, steadfast commitment to community, and a heart forever rooted in Montreat.

- “Jane Holt has given a long and impactful lifetime to Montreat, providing decades of
- tireless volunteer service, steadfast stewardship, and visionary leadership in preserving
- and protecting Montreat's beloved wilderness areas. Through her unwavering advocacy,
- Jane has helped ensure that these sacred acres — treasured for hiking, camping, and
- experiencing the beauty of the Blue Ridge Mountains — remain a place of refuge,
- renewal, and wonder for generations to come. Her commitment, infectiously shared
- with so many, has preserved the ecological integrity of the landscape that surrounds and
- embraces the ministry of the Montreat Conference Center.”

– Richard DuBose, MRA President

## Susanne and Dick Query

As dedicated and visionary leaders, Susanne and Dick Query have played a pivotal role in shaping the Montreat Conference Center for decades through their active service on Montreat's leadership boards and as engaged conference participants. Dick's love for Montreat began in childhood, attending music conferences, while Susanne's connection has grown through her lifelong commitment to the church in numerous capacities. Over the years, Montreat has become central to their entire family, with an annual summer reunion serving as a cherished tradition. Loved by friends and neighbors across the valley, their

generosity and presence continue to uplift all those around them. Dick and Susanne have a special dedication to Robert Lake Park and the joy it brings to the young and young at heart. From their work in Montreat to their leadership at Mount Pleasant Presbyterian Church, their deep commitment to Christ and the Church is reflected in every aspect of their lives.

- “Susanne and Dick Query have been pillars of faith, living the gospel through lives of
- service to the church and to their neighbors. Their quiet philanthropy has had profound
- impacts both broad and deep, encompassing a diverse range of support through
- countless religious and social endeavors. Their love for this place has long provided
- critical support to the ministry and mission of the Montreat Conference Center. Susanne
- and Dick are most deserving of the Medallion of Merit as a reflection of their selfless
- service to God's Church.”

– Chip Legerton, MRA Board of Trustees Chair

## Anne and Bill Straughan

Anne and Bill Straughan moved to Montreat in 2001 and quickly became beloved members of the community. Anne became well known for her warm hospitality and active volunteerism, while Bill stepped into the critical role of Vice President for Development at the Montreat Conference Center. His leadership proved transformational, building a strong development program – including the creation of the Medallion of Merit – which has grown to be a key piece of the conference center budget and overall financial stability. After several impactful years, Anne and Bill left Montreat, but when leadership

was needed to plan and execute a campaign to renovate Assembly Inn and secure Montreat's future as a year-round conference center, they returned without hesitation. They have since continued to serve faithfully, offering their leadership at Black Mountain Presbyterian Church, the Black Mountain Counseling Center, and the Montreat Conference Center.

- “When Anne and Bill came to Montreat in 2001, our financial situation was dire. Under
- Bill's leadership, we not only raised significant gifts, including significantly growing the
- endowment, but we created a culture of philanthropy and financial stability that enabled
- 20+ years of balanced operations. Through Anne's warm hospitality and Bill's
- fundraising abilities, the Straughan's have been some of the most impactful
- people in the 126-year history of the Montreat Conference Center—without
- question, and always with a smile!”
