# Welcome to Montreat Conference Center

Welcome to Montreat Conference Center located in Montreat, NC. Nestled in the mountains of Western North Carolina, Montreat is a private, non-profit conference center with roots in the PC(USA). Over 30,000 guests come from all walks of life to Montreat each year and find it's a place to encounter God through relationships, renewal, recreation, and rest. Here are a few things you should know about this beautiful valley and our neighboring towns and cities.

#### All are welcome here.

The Montreat Conference Center is a Christian institution that strives to demonstrate intentional hospitality to all. As a key part of that commitment, we will not tolerate discrimination on our campus against any child of God, including discrimination on the basis of race, ethnicity, ability, gender identity, gender expression, or sexual orientation.

In the spirit of this statement, we will continue to invite our conferees, guests, and visitors to use the restrooms in which they feel most comfortable.

You can read all of our policies at montreat.org/policies.

#### We love our mountains.

Montreat is located in a 4,000-acre cove of the Blue Ridge Mountains, with relatively mild weather. Casual, informal clothing, an umbrella, a sweater, and comfortable walking shoes are recommended. Since we are in the mountains, our campus is hilly. If you have limited mobility, let us know and we can make arrangements to assist you.

If you'd like to take advantage of the permanently protected wilderness around Montreat, check out our hiking trails.

#### Take advantage of this place set apart.

Montreat is often described as a "thin place" or a "place set apart." Central to our campus is Lake Susan, a small, serene lake that is home to a variety of wildlife and is fed by Flat Creek, which runs through the valley. Our facilities seek to incorporate the natural beauty of Montreat, and for that reason they are simple with an emphasis on comfort rather than modern amenities. Most guest rooms do not have televisions, mini-fridges, microwaves, coffee makers, or hair dryers. Not totally lost to the modern world, however, Assembly Inn is equipped with wifi, air conditioning, and a lobby with couches, chairs, and work spaces. All of our lodges all have updated common areas and kitchens.

## Questions?

You can always call the front desk of Assembly Inn at 828-419-9844 and they will direct you to the right person.
