Montreat Youth Conference (MYC) is a unique gathering of high school aged youth and their group leaders from all around the country. During MYC, youth learn about and celebrate the love of Jesus Christ through small group study, worship, and recreation. The theme is different each year, but the values are the same: sharing God's love and hope, providing opportunities for faith growth and development, and equipping and empowering young people for Christian discipleship in the Church and world.
