Endlessly Enough

Welcome to Middle School Montreat @ Home

We know that this year Montreat Middle School Conference looks very different. While we are unable to gather this summer, it is our hope that the resources provided will help your group experience a little bit of Montreat.

Activities Included:

- * The Endlessly Enough Small Group Manual, which will serve as your curriculum.
- * 3 videos and discussion questions to spark conversation as you move through the manual.
- * An Energizer Guide
- * A Games Guide
- * Montreat Sing-A-Longs
- * A variety of other bonus links, just for fun.

All of this may be adapted to the schedule you set for your group but we have planned for three days to keep things in line with the usual Conference schedule. Our goal was to create a flexible and helpful resource that meets the needs of various churches and settings all with different restrictions in place, while honoring the theme Endlessly Enough for our Middle School youth. It is our hope that these resources provide you with many options to create your own Montreat @ Home experience for your youth.

Know that we are praying for you as you move through the grief that comes with missing beloved summer events. We are cheering you on as you dig deep to provide faith formative experiences for youth in totally new ways. We are hoping you feel supported and appreciated for your gifts and for all the ways you minister to young people.

May God bless you and keep you until we meet again.
